The shareholders may request in the postal voting form that a resolution on one or several of the matters on the proposed agenda below should be deferred to a so-called continued general meeting, which cannot be conducted solely by way of postal voting. Such general meeting shall take place if the extraordinary general meeting so resolves or if shareholders with at least one tenth of all shares in the company so requests.

The board of directors proposes that Martin Carl Møller Jensen is to be appointed as person verifying the minutes together with the chairman of the general meeting, or in the event he is prevented from doing so, the person the board of directors appoints instead.
